

VA Medication History

Source:	VA
Last Updated:	21 Sep 2021 @ 0715
Sorted By:	Alphabetical Order then by Status
<p>Remember to share all information about your medications or updates with your VA health care team. Also, check information in your VA Allergies and your Self-Reported Allergies. This may let you know if you had a reaction to a medication you received.</p> <p>Please note that My HealtheVet does <u>NOT</u> show:</p> <ol style="list-style-type: none"> 1. medications, prescriptions and/or supplements your VA health care team entered into the non-VA medications list in your VA Medical Record 2. medications that are/were administrated in a clinic or Emergency Department (such as clinic medications) <p>If you cannot view prescription(s) that should be displayed, contact your local VA Pharmacy for information. The phone number for the VA Pharmacy can be found on the prescription label.</p> <p><u>Glossary of MHV Pharmacy Terms:</u> Active: Refill in Process=A refill request is being processed by the VA pharmacy. When a prescription is in the Refill in Process status, the Fill Date will show when the prescription will be ready for delivery via mail by a VA Mail Order Pharmacy. This term may be shown as a VA Prescription status of "Active: Susp" on other VA medication lists. Active: Submitted=The refill request has been received by My HealtheVet but has not been processed by the VA Pharmacy yet. Unknown=The status cannot be determined. Contact your VA care team when you need more of this VA prescription. A prescription stopped by a VA provider. It is no longer available to be filled. Transferred=A prescription moved to VA's new electronic health record. This prescription may also be described as "Discontinued" on medication lists from your healthcare team. Take your medications as prescribed by your healthcare team.</p> <p><u>Glossary of VA Pharmacy Terms:</u> Active=A prescription that can be filled at the local VA pharmacy. If this prescription is refillable, you may request a refill of this VA prescription. Active: On Hold=An active prescription that will not be filled until pharmacy resolves the issue. Contact your VA pharmacy when you need more of this VA prescription. Discontinued=A prescription stopped by a VA provider. It is no longer available to be filled. Contact your VA healthcare team when you need more of this VA prescription. Expired=A prescription which is too old to fill. This does not refer to the expiration date of the medication in the container. Contact your VA healthcare team when you need more of this VA prescription.</p>
