HOUSTON DIVISION**

**In re

**§  
§     CASE NO. 19-35770  
§     Chapter 13**

**ORDER FOR EFT PAYMENTS (ONLINE BANKING)  
AND DEBTOR(S)' CERTIFICATION**

On October 27, 2019, the debtor(s) enrolled in the chapter 13 trustee's electronic funds transfer program (the "EFT Program"). The debtor(s) have submitted a certification of eligibility to enroll in the EFT (online banking) Program. The debtor(s) understand that chapter 13 plan payments must be made by EFT (online banking) to the chapter 13 trustee.

The trustee's bank account information and instructions for initiating the transfer is available on the Court's website or from the trustee. The debtor(s) are responsible for initiating the payment each month and the debtor(s)' bankruptcy case number must accompany each payment. If the chapter 13 trustee or a party in interest files a motion to dismiss the debtor(s)' case for non-payment, the debtor(s) must provide documents from the debtor(s)' bank demonstrating that any disputed payment was sent by the debtor(s) by EFT (online banking). It is therefore

ORDERED that the debtor(s) are ordered to pay \$2,275.00 each month to the chapter 13 trustee by EFT (online banking). It is further

ORDERED that the debtor(s) may not terminate the EFT (online banking) except as further ordered by the Court.

Pursuant to Debtors Certification, Debtor stipulates: Debtor currently is employed by DHS/FEMA as an Emergency Management Specialist and is paid bi-weekly. Debtor established ETF payments via TFS Bill Pay on 10/27/2019 and was approved by the trustee on 11/14/2019. (From: William E. Heitkamp, Chapter 13 Trustee <epayquestions@ch13hou.com> Sent: Thursday, November 14, 2019 6:35 PM, To: femamax@gmail.com, Subject: Online Payment Center – Registration Approved) I set the payments up to draft on the 4th of each month because that is the date I can assure adequate funds are available for payment processing. We receive our Social Security deposit on the 3rd for a fixed amount and that amount along with my paycheck assures funds are available. I am currently recovering from a chronic heart condition and work with a Family Medical Leave Act (FMLA) approval. It is common for me to have to take time off for medical reasons and if, under a wage plan, I miss just 2 days per pay period, there will not be enough net paycheck to cover the previously proposed wage plan. A onetime ETF payment per month, which starts processing on the 4th each month, is the option that would ensure appropriate funds are available for monthly payments as currently set up. I pray for the courts approval of the ETF plan option. Max Meindl
