

My HealtheVet

Personal Information Report

*******CONFIDENTIAL*******

Produced by the VA Blue Button (v18.3)
22 Sep 2021 @ 2215

This summary is a copy of information from your My HealtheVet Personal Health Record. Your summary may include:

- information that you entered (self reported)
- information from your VA health record
- your military service information from the department of defense (DoD)

Note: Your health care team may not have all of the information from your Personal Health Record unless you share it with them. Contact your health care team if you have questions about your health information.

Key: Double dashes (--) mean there is no information to display.
