

## VA Problem List

Source:	VA
Last Updated:	22 Sep 2021 @ 2159
Sorted By:	Date/Time Entered (Descending) then alphabetically by Problem
Your VA Problem List contains active health problems your VA providers are helping you to manage. This information is available thirty-six (36) hours after it has been entered. It may not contain active problems managed by non-VA health care providers. If you have any questions about your information, visit the FAQs or contact your VA health care team.
